

Inauguration of the CIEC Asian Branch and Academic Conference

“Future of Fertilizer Science in Asia”

August 4-6, 2016

Linyi, Shandong, China

Organizers:

Host Sponsors:

Chinese Academy of Sciences, CAS, Beijing, China
International Scientific Centre of Fertilizers (CIEC), Braunschweig, Germany
Institute for Crop and Soil Science, Julius Kühn-Institute, Braunschweig, Germany
Institute of Applied Ecology (IAE), Chinese Academy of Sciences
Shandong Shikefeng Chemical Industry Co., Ltd

Scope of the conference and research subjects welcomed

The Inauguration of the CIEC Asian Branch and Academic Conference is thematically dedicated to **Future of Fertilizer Science in Asia**. Fertilization plays an important role in meeting the increasing demand of food for the increasing world population. At the same time the impact of fertilization on food quality, soil fertility, the waste of resources and environment are becoming more and more relevant, not only for farmers and scientists, but also for fertilizer industries, economists and policy makers. Thus contributions on research about new technologies to improve fertilizer efficiency and to reduce environmental pollution are highly welcome.

Speaker presentations will cover the following subjects:

- **Production, markets and economics of fertilizers**
- **Fertilizer and new technology development in China**
- **‘Closing the gaps’ in the leaky nitrogen cycle**
- **Efficiency and new fertilizer development in India**
- **Fertilization and fertilizer technology in Korea**
- **Fertilization and environmental problems**
- **Coated fertilizer technology and application in China**
- **Stabilized fertilizer technology characteristics and industrialization**
- **Nitrogen fertilizer industry and new technology development**
- **Creation of Trichoderma biofertilizer and its acting mechanisms**
- **Fertilizer production and import/export status in China**

The inauguration of the CIEC Asian branch and academic conference will be jointly organized by the International Scientific Center of Fertilizer (CIEC) and the Chinese Academy of Sciences (CAS). It will be held in Linyi, Shandong, China, August 4-6, 2016. In invited lectures internationally highly acknowledged scientists will present cutting-edge research and state-of-the-art facts for each of the themes. The conference will provide a forum to exchange the up-to-date scientific information, ideas and achievement on fertilizer research, development, production, application as well as the trend of market situation. Delegates will leave the conference having shared ideas, having contributed to the body of knowledge concerning fertilizer use, and having made friends and contacts for future research.

Important Deadlines

Response to the invitation and submission of abstracts: **June 15, 2016**

Submission of Registration Form: **June 15, 2016**

Circulation of final program: **June 30, 2016**

Submission of full papers for publication: **July 20, 2016**

Final registration date: **July 11, 2016**

Abstracts

Delegates are invited to submit title and an abstract of not more than 200 words. Latest 3 weeks after acceptance of the contribution a 2 pages version for printing in the abstract book is requested (A4, 12 Times New Roman 12, 1.5 lines spacing, margins: top, bottom, left, right each 2cm) before **June 15, 2016** to the conference secretariat: jieli@iae.ac.cn. The submitted abstracts will be reviewed by the scientific committee and the decision will be forwarded to the corresponding author before **May 15, 2016**.

Publishing

Authors of contributions accepted for presentation at the conference are invited to accomplish a full paper for publication in the international and peer viewed Journal of Cultivated Plants.

Scientific Excursion

A scientific excursion will be organized and give participants an insight into Shikefeng Fertilizer Company and Linyi Museum.

Official Language of the Conference

Delegates have to ensure that **all papers and presentations are in English** before the commencement of the conference as there will be no translation facilities.

Venue & Accommodation

The **symposium will be held at Lanhai International Hotel, in Linyi, Shandong province** (<http://www.lanhai.cn/>).

Registration

Participants register for the conference and the scientific excursion online <http://aciec2016.csp.escience.cn>. Lectures, abstract proceedings, coffee breaks, lunch and dinner during the conference are available in the hotel. When the participants fill

the registration form, please indicate which type of room do you prefer, we will help the participants to make the reservations with the hotel.

Participants may expect the following costs:

A. Conference package **without accommodation** (abstract proceedings, refreshments, lunches, scientific excursion and conference dinner):
300 \$ (Non-Students), 125 \$ (Students)

B. Room Prices for the Conference:

- Single room/ Double room: 71\$ per night, breakfast included;

Methods of payment

The registration fees are paid through bank transfer.

Beneficiary: Institute of Applied Ecology Chinese Academy Of Sciences

Account Number: 21014117200220102154

SWIFTCODE: PCBCCNBJLNX

Bank: CHINA CONSTRUCTION BANK LIAONING BRANCH

FOR FURTHER CREDIT TO RONG HUI SUB_BRANCH

Add: No.13 wei Road Shenhe District Shenyang Liaoning Prov.China

Tel: +86-24-22716643

Please write down a note of “Your First Name + Last Name + CIEC Asian2016” when you transfer the fees. This will help us to know your registration status and prepare the receipt. For example, for Michael Healy, the note will be “MichaelHealy CIEC Asian2016”.

You will find detailed information of the conference at <http://aciec2016.csp.escience.cn> or send fax to +24 83970818 for any questions you might have. To contact the Congress Secretariat in China, you may e-mail jieli@iae.ac.cn or send fax to: +86-24-83970818.
